Current students will receive priority, so let us know if you plan to attend (and which day(s) you prefer) as space is limited to ten students per session.

Our detailed curriculum plans are underway with the following themes:

August - Camping Fun
September - All About Me

Focusing on art, music, and movement, Hopscotch classes also encompass movement activities and an introduction to several sports such as basketball and soccer.

Hopscotch classes are offered to children ages three to five.

Parent participation is optional, potty training is required, and good manners are necessary. :)
